

Hands-On Procedure Protocol Training

Featuring actual patient demonstrations

Combination Therapies for Female Sexual Wellness

Viveve RF Energy, Shockwave & Platelet Rich Plasma

Please join **Lisa Vuich, MD, expert clinical educator** for Specialty MED Training, for a unique learning opportunity as she leads a virtual hands on training experience demonstrating the use of Viveve RF Energy in combination with Platelet Rich Plasma (PRP) and Shockwave Therapy for the treatment of female sexual dysfunction. This comprehensive video workshop, priced at \$3,995, highlights the utilization of regenerative technologies and how they are applied in combination with existing protocols to dramatically impact treatment results and response rate!
